2017 IDEAS & INSPIRATION

BEFORE YOU
GET STARTED

1) Doodles MUST be drawn in black on white paper.
(This helps us with print quality.)

2) Each doodle should include a title, name of artist, and age. You can label the doodle itself, or just provide that information in your email.

3) Please, doodle anything!
These ideas are only provided to jump-start your own creativity.

4) Submit your art to doodles@timberdoodle.com or <https://timberdoodle.typeform.com/to/S7UARQ> by February 28th at midnight PST.
(Feel free to include as many images per email as you would like.)
